

Wile Coffee & Cocoa

The basic level meter for measuring moisture content in coffee and cocoa beans

Wile Coffee & Cocoa is a basic tool for measuring moisture content in whole coffee and cocoa beans. Best suited for performing rapid field measurements.

The set includes:

- Meter
- Carrying case with strap
- Measuring cup
- Battery 6LR61, 9 V
- Operating manual.

If you need a particularly precise and reliable measurement result, you may also wish to consider the [Wile 200 Coffee](#) meter that, in addition to moisture content, measures test weight and temperature.

For coffee roasteries we recommend our Wile 200 Coffee meter.
